Assessment, Evaluation &Feedback Policy

The Assessment, Evaluation and Feedback Policy of the institution aims to actively promote student success, provide clear guidelines on assessment and feedback, ensure consistency and fairness, and integrate assessment and feedback into the learning process. The policy ensures that all internal assessments are fair, transparent, and based on clearly shared criteria and rubrics. Students receive timely and helpful feedback on assignments, practicum work, tests, and other tasks. Students who perform poorly are provided remedial classes, mentoring, and chances to improve. The assessment system is continuously reviewed to maintain fairness, reliability, and alignment with expected learning outcomes.
