Equity Policy

The Equity Policy ensures that admissions and academic processes are fair, transparent, and free from any form of discrimination, with equal representation of students from diverse backgrounds. Special support is provided to students from marginalized or disadvantaged groups through financial aid, scholarships, mentoring, and remedial assistance. The institution follows a strict zero-tolerance policy against harassment, discrimination, or unfair treatment. It also promotes social awareness, inclusiveness, and respect for dignity and equality through various programmes and community engagement activities, ensuring a safe, supportive, and empowering environment for all stakeholders.

The institution has established a well-structured Equity policy committee to ensure that every student—especially those belonging to marginalized, minority, or underrepresented groups—has equal access to opportunities, resources, and institutional support.

Equity and Inclusion Cells
